

GrainCorp Pools 2009/10 Wheat Increment Guide

Queensland | New South Wales | Victoria | South Australia | Western Australia

The following document contains current increment tables that are indicative only and are likely to change during or after harvest for the pool grades as per below.

Note: Payments will be made in increments of 0.10%;

All payments are based on binned grades;

To easily estimate your increment premium or discount, please use the [Pools Calculator](#).

Protein Increment Guide

Effective Date: 2 July 2009

Rates are per metric tonne.
