GrainCorp 09/10 Canola Pool will close at midnight Tuesday 9/2/10

GrainCorp's Canola Pool will close on Tuesday 09/02/10 at midnight. Growers have the opportunity to deliver/transfer their grain to the 09/10 GrainCorp Canola Pools and take advantage of the benefits it offers before this closure.

GrainCorp Pools gives growers exposure to market movements over the life of the pool. GrainCorp Pools has started its sales program and will continue to market the remaining canola seed until planned pool finalisation in November.
